About GALS Ohio (Columbus Campus)

GALS (Girls Athletic Leadership Schools) Columbus is part of a network of all-girls public charter schools committed to academic excellence, physical and emotional wellness and leadership development. Through an integrated curriculum that includes movement and mindfulness, we empower girls to live bold, confident and healthy lives.

Position Summary

We are seeking passionate, student-centered Middle Grade Teachers who are committed to equity, high expectations and holistic development. Teachers at GALS Ohio (Columbus Campus) foster academic rigor while incorporating movement-based learning, social-emotional development, and leadership skills into their daily classroom practice. Bilingual Professionals welcome!

Key Responsibilities

- Deliver high-quality, culturally responsive instruction aligned with Ohio Learning Standards and GALS' academic framework.
 - Incorporate GALS' core values voice, agency, resilience and leadership — into daily classroom culture and instruction.
 - Integrate movement and wellness practices into classroom practice to support the mind-body connection.
 - Use data to drive instruction, adjust lesson plans and provide differentiated support to ensure student growth.
 - Build strong relationships with students, families and colleagues, fostering a positive, inclusive and supportive school community.
 - Collaborate with grade-level and content teams to plan interdisciplinary units and project-based learning.
 - Participate in advisory, movement classes and community-building activities as part of GALS' whole-child approach.
 - Attend and contribute to professional development staff meetings and school-wide events.
-

Qualifications

- Bachelor's Degree in Education and/or content-related field required; Master's preferred.
- Valid Ohio teaching license and eligibility for licensure in subject areas Grades 6–8.
- Experience working with diverse student populations and a commitment to educational equity.
- Strong understanding of adolescent development and trauma-informed practices.

Succeed Academically - Lead Confidently - Live Boldly - Thrive Physically

- Enthusiastic about movement, wellness and nontraditional approaches to learning.
 - Excellent communication, organization and collaboration skills.
-

Preferred Qualifications

- Experience in urban and/or public charter school environments.
 - Familiarity with restorative practices, culturally responsive pedagogy and/or SEL frameworks.
 - Comfort with integrating physical and mental health well being into daily instruction (training provided).
-

Compensation and Benefits

- Competitive salary based on experience and qualifications.
- Comprehensive benefits package including health, dental, vision and retirement options.
- Opportunities for leadership, mentorship and professional growth within a dynamic charter school network.
